THE

MARINER

Published by

The Class of 1964, New Bedford Vocational High School

Foreword

Our four years at Voke have been memorable ones with experiences happy, sad, and bittersweet. They have served to prepare us for the life on which we are about to embark. *The Mariner* will be a tangible reminder of our "high school days" at Vocational.

The class of 1964 becomes an important part of the community and of the nation's economy at a time in history when the awareness of the value of education and training has never been greater.

The dedicated faculty of your school has made every effort to prepare you to become contributing members to the American way of life. In many instances your parents have made possible opportunities for you which they were not fortunate enough to enjoy themselves. Appreciate and respect what they have done for you.

I urge each of you not to rest upon the solid foundation you have built for yourselves—but to continue to improve upon it at every opportunity.

The Board of Trustees, the faculty and entire staff join me in wishing you godspeed, and a full measure of success and happiness as you journey along the pathway of life.

It has been my pleasure to have been associated with the class of 1964 for the last four years.

You have completed the present phase of your education but I am sure that each of you will apply yourself in the coming years to increasing your knowledge for life in the future.

Best wishes for every graduate.

JOHN FITZGERALD KENNEDY

"In the long history of the world, only a few generations have been granted the role of defending freedom in its hour of maximum danger. I do not shrink from this responsibility — I welcome it. I do not believe that any of us would exchange places with any other people or any other generation. The energy, the faith, the devotion which we bring to this endeavor will light our country and all who serve it — and the glow from that fire can truly light the world.

And so, my fellow Americans; ask not what your country can do for you — ask what you can do for your country."

**From the Inaugural Address delivered by President John F. Kennedy on January 20, 1961.*

DEDICATION

We, the Graduating Class of 1964 of New Bedford Vocational High School, gratefully acknowledge the leadership, now gone, and the friendship, now lost forever, which vocational education's greatest friend and champion, President John F. Kennedy, in his brief tenure of office, gave to us.

With a sense of deep personal loss, we now respectfully dedicate this MARINER 1964 to the memory of our fallen leader, John Fitzgerald Kennedy, and pledge that we will dedicate our lives to redeeming the values of decency, of rationality, of civility and of honor — those values for which he stood throughout his life and to which in the end he gave his life.

Let our fervor help kindle that fire, and let that fire truly light the world.

TEAM COACHES

The opening of the 1963-64 basketball season was viewed with anticipation by Voke basketball fans. As the season progressed, however, Voke lost six quick games in a row. Even though the record for the first half of the season was 0-6, the team showed much spirit and vigor on every court on which it played.

The season's first victory was a seat-squirmer versus North Attleboro. At the end of the game it was Voke on top by a 63-60 count. In the second meeting with North, Voke also prevailed, this time by a margin of 71-62.

Voke lost its first encounter with Fairhaven High 53-43, as it did with Bishop Stang High. When these opponents were faced the second time, however, the story was different. Voke topped Fairhaven 49-43 and Stang 74-64.

Although the team's record of 4-11 for the season was a good deal off last season's fine showing, the team spirit was rich.

SCOREBOARD 1963-64

New Bedford High	68	Voke	43

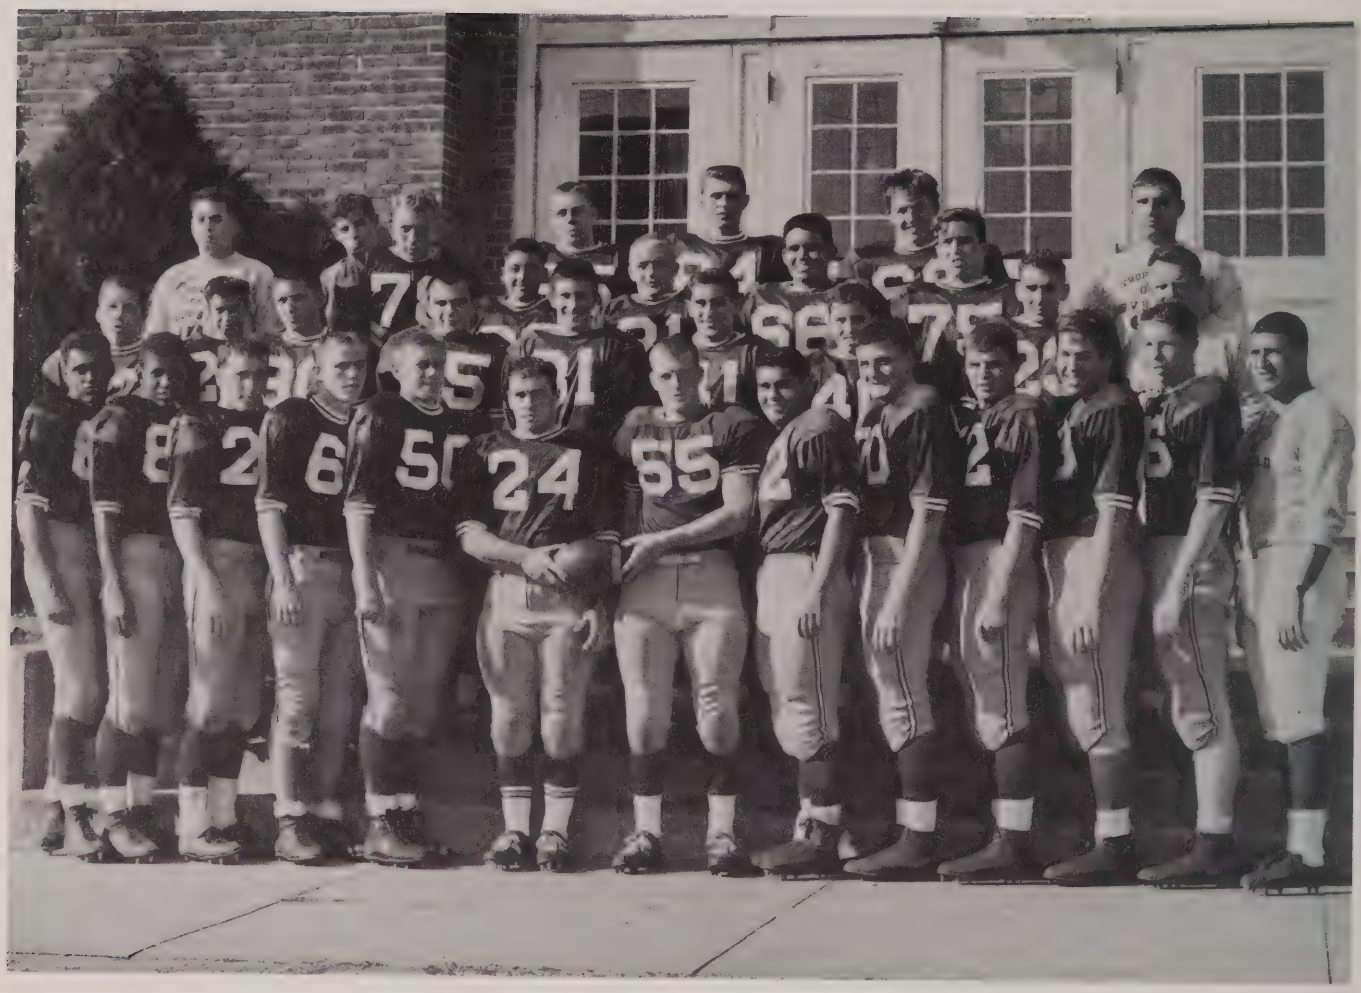
Football



FOOTBALL 1963

The football team had a disappointing season in the won and lost column. A young group of linemen and an experienced backfield showed some signs of being a very good ball club.

Among the "gridders" were three outstanding fellows: Jimmy Reul, Warren Houtman and George Sharp. Ruel was cited by the Boston Record-American for his outstanding performance and was given a berth on that newspaper's Honor Roll. Sharp was awarded a spot on the New Bedford Standard-Times' All-Scholastic First Team, and Houtman made two runs in the New Bedford game which were nothing short of phenomenal. These boys deserved the abundant praise they received from all quarters. The team won only one game this season, against Bishop Feehan, 42-12. Since the first game against Coyle to the end of the season, the team had come a long way. Wait until next year!

Soccer 1963

The 1963 soccer season was a success not only in winning the Bi-State Interscholastic Soccer League title for the second year in a row, but also in the average of thirty-one players who remained with the squad for the season.

The tremendous individual efforts and abilities of Captain Frank Cunha, Co-captain "Butch" Deree, and George Amaral sparked an otherwise mediocre ball team into an undefeated season in league play.

By virtue of their league championship, Vocational went into the Eastern Massachusetts Soccer Tourney. They defeated Dennis-Yarmouth, Cape league champions, 2-1 at Tabor Academy. Braintree High School was then defeated by Voke 2-1 at M.I.T.'s Brigg's Field in the semi-finals in a drenching rainstorm. Voke next met Medford High School on November 11, 1963 in the final game. Leading 1-0 from the 1st half Voke finally gave up two goals in the last four minutes of play to lose 2-1.

Frank Cunha, twice cited by the Standard-Times, as the "Player of the Week" for his soccer ability, scored eighteen goals in regular league play.

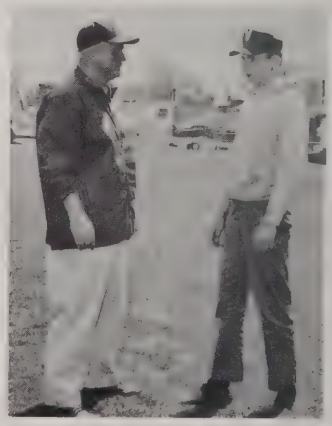
Baseball



Last year the baseball team lost six (6) close games. A single run was the difference in games with Durfee, N. B. H. S., Coyle, and Attleboro. Overall, the record showed eight losses and five wins.

Coach Norton inaugurated a building campaign for 1964 by trying out several freshmen on the varsity team. Among them were Ken Soares, Jerry Costa, Rene Pothier, and Russell Chevalier.

'64 promises to be a banner year. Voke is strong down the middle, with Sauve, Sharp, Ruel, Costa, and Cunha forming the nucleus of a good team. Candidates will be called out in March and from all signs there will be several promising freshmen in the lineup.

Seniors in this year's baseball lineup are Len Baptiste, George Sharp, and Frank Cunha. These boys have been stalwarts throughout their Vocational athletic careers.

Golf

The golf team, under the coaching of Mr. Bettencourt, enjoyed a good season in 1963, and prospects are excellent for 1964.

The team consists of seven members, most of whom will be on the team in 1964.

The season's record:

Voke 4½—Coyle 4½
Taunton 5—Voke 4
Dartmouth 6½—Voke 2½
New Bedford High 8—Voke 1
Durfee 8—Voke 1
Voke 5—Coyle 4
Voke 8—Taunton 1
Voke—(over Dartmouth . . . forfeit)
New Bedford High 9—Voke 0
Durfee 8½—Voke ½

Final standings: Voke: 3 wins, 6 losses, 1 tie.

Members of the 1963 squard:

Edward Peters, Paul Jaillet, Richard Sykes, Neil Allison, Herbert Foisy, Robert Pepin and William Deree.

Track

The winter track season opened on a very snowy note, and the snow continued to fall, almost, it seemed, without interruption, throughout the months of January and February.

Lacking depth all season long, Voke's tracksters acquitted themselves quite well as the season progressed, capping the season with a thrilling, down-to-the-wire victory over Coyle High of Taunton, 46-38.

Standouts for the year included team captain George Sylvia, who was honored with the Alonzo Stagg medal as the outstanding competitor for his back-to-back victories in the 50 yd. dash and 300 yd. dash, Glen White who came along very nicely in both the mile and two-mile event, and who won the distance event on four separate occasions, John Burgo who either won or came in second each time he was entered in his specialty, the shot put. The team was augmented by basketball men Butch Deree, Ken Halstead, Frank Cunha, Eugene Miggins as the season waned, and all showed promise for the spring season.

Comparative newcomers to the team, Robert Fortin, Paul Robert, Paul Leblanc, and George Hubert performed well throughout the season, and Jeff Bourgeois and George Wortham gave the team needed depth in at least one event, the 600 yd. run. Conrad Roy, who joined the team in the closing weeks of the season, proved that he had the stamina to be a distance man, and brought home 3 valuable and much-needed points in the crucial mile vs. Coyle. Dennis Ayotte continued to improve in his specialty, the 300 yd. dash, and we look to him for some fine efforts this spring in the 220.

With the experience of an arduous winter schedule behind them, the track team points to a winning spring season.

Girls' Basketball

One word could describe the girls' basketball team this year: DETERMINATION.

This was proven when the girls upset the County Streeters in a thrilling 45-44 contest.

The Vocational girls team has always played a "tough" brand of ball. Although not victorious in all their games, they were in there to the end. The season's record was a disappointing 2-6, but the upset over New Bedford High will be remembered as one of the team's most cherished victories.

THE SEASON'S RECORD

Shop League

Machine Shop emerged victorious for the second consecutive year as the machinists won the shop league championship with identical first and second half records of 6-0.

In the second half of the season, I. D. - Drafting was a close second.

Kneeling—Blodgett, Misiaszek, W. DeBarros, R. Chevealier.

Back Row—Mr. Janiak, Mr. Prefontaine, J. Kershaw, A. Richard, B. Williams, R. Rusin, R. Choquette, G. Pombo, M. Dean, R. Espindola, Mr. Almeida, Mr. Prastek.

SHOP-LEAGUE SOFTBALL CHAMPIONS OF 1963

Carpentry won 4 games, lost 1 to Drafting. The championship was played between the two and won by the Carpenters, 13 to 12.

Key Club

"Render Dedicated Service" is the motto of the Key Club. Its main objectives are to build home, school and community; to serve nation and God and combat all forces which tend to undermine these institutions; to promote the adoption and application of higher standards in scholarship, sportsmanship, and social contacts; to cooperate in creating and maintaining that sound opinion and high idealism which makes possible the increase of righteousness, justice, patriotism and good will.

This year's club was headed by President Richard L'Abbe, Vice-President James Osborne, Secretary Jeff Bourgeois, and Treasurer Herbert Foisy.

The club engaged in many worthwhile projects. Selling candy, megaphones, pencils and bookcovers helped to fatten club coffers. The children of St. Mary's Home were taken to various sporting events by the members of the club and the children were given their annual Hallowe'en party by Key Clubbers again this year.

Key Club members also attend weekly luncheon meetings of the Kiwanis Club, the organization which sponsors the Key Club.

This year has been a fine one for Key Clubbing, thanks to the efforts of our fine officers and members and to the dedication of our schol advisor Mr. Walter Siwik.

The Traffic Squad

Vocational High's traffic squad works busily year round trying to maintain order in the corridors and on the stairways.

Their duties include taking care of the seating arrangement in Hammond Auditorium, making the girls keep single file and to the right in the corridors, and also making sure the girls enter and leave by correct doors in the locker room.

In order to become a member of the squad a girl must have good conduct marks. Sophomore, junior, and senior girls are eligible for membership. The traffic chief is Pearl Evans.

Honor Society

The Induction activities of the National Honor Society took place October 23, 1963. There were seventeen new members. There was a buffet after the induction activities. Parents of the new members were invited to attend the activity. Various members recited the ideals of the Honor Society to the new as well as the old members. To become a member, a student's average grades must be at least 85%. Tours have been scheduled for the members and may include station WTEV in this city. Total membership numbered thirty-five.

Officers are: *President,* Jacqueline Dupuis; *Vice-President,* Patricia Quintin; *Secretary,* Janet Canastra: *Treasurer,* Doris Tardif.

The Future Nurses Club

The Future Nurses Club meets on the second Monday of each school month. Its four officers are: President, Joyce Grace; Vice President, Patricia Sylvia; Secretary, Francine Ramos; and Treasurer, Jacqueline Britto. The club's guiding hand is Mrs. Mary Wobecky, our school nurse.

There are thirty-six members and each member should have a definite interest in a health field. Sophomore, junior, and senior girls are eligible for membership.

The program for the year includes many interesting activities: the election and installation of officers and a candy sale for the scholarship fund. A Christmas party is held annually at a rest home in the city. The girls find this a very rewarding and pleasant experience.

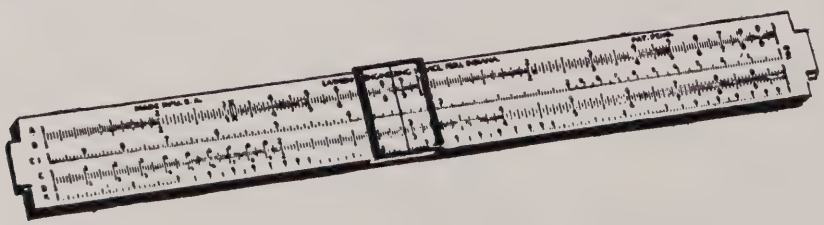
The most important activity is a talk by Mrs. Doris Wilson, our guidance counselor on qualifications and applications necessary for various schools of nursing. Field trips to various schools of nursing are also held. A guest speaker, usually someone in the health field, is invited to speak to the girls on her career. The last event of the year includes a joint meeting with other Future Nurses Clubs in and around the New Bedford Area.

Slide Rule Club

The Slide Rule Club is one of the many electives offered to all Vocational students. It is conducted by Mr. Barbero and Mr. Duval. The club is primarily a course designed to teach slide-rule techniques.

The club holds its meetings in the physics laboratory every Monday, Wednesday, and Friday, commencing in mid-September and concluding in mid-November. All meetings are held after school and last between thirty and forty minutes.

These two instructors work very hard to teach all the slide-rule functions to the students who take advantage of the course. The students are taught the fundamentals of multiplication, division, squaring of numbers, square roots, cubing of numbers, cube roots, and trigonometric functions. Manuel Pereira, Leo Pelletier, John Arruda and Louis Spiliopoulos were the seniors in the group, while other members included Joe DaSilva, Roger Davignon, Robert Travers and Stanley Gadomski.



Glee Club

This year's Glee Club is under the direction of Herbert Bowker, an accomplished organist and pianist. He has introduced many fresh ideas to the group of girls. The group has enjoyed most working on songs from contemporary Broadway shows. Meetings are held every Tuesday from 2:00 to 3:00 P.M. Mrs. Thelma Bagley is the club's advisor. The club has received much praise for its performances at school assemblies, Voke's Style Show, and Showtime.

CLASS
HISTORY

Class History

CLASS OF 1964

As we entered the new and strange corridors of New Bedford Vocational High School, our first impression of the many machines and various tools was a foggy one. We soon found ourselves working with new implements of industry. As the weeks rolled by, the fog lifted. These machines and tools were no longer strange or new, for we now realized that they would give us vocations which other boys and girls could not receive without vocational training. We realized that we were the privileged ones and determined to make the most of the opportunity given us.

Our Freshman year opened with a warm welcome at our first assembly by Mr. Janiak, Director. The Junior Class sponsored a dance in our honor to give us a chance to get better acquainted with the other members of the student body.

Better acquainted, and full of school spirit, we entered our Sophomore Year. Everyone was excited over the wonderful work by our basketball team in the Tech Tourney at Boston Garden. Our soccer team, after many discussions, finally arranged its game with the Brown University Freshman team; score was Brown 10—Voke 0. We were appreciative of the fine work the carpentry department did on our outdoor board track. As June edged closer and closer, our thoughts wandered to our upcoming Junior Year.

The year 1962-63 marked a time of social activities and responsibilities. Under the supervision of Mrs. Roderick and Mr. Almeida, our class advisors, we chose our class officers. Manuel Pereira was elected president; Patricia Quintin was named Vice-President, Anne Gonneville was elected Secretary, and John Arruda was our new treasurer. We sponsored the Freshman Dance and Doris Dotell was chosen queen. We all shall cherish the memories of the fun we had at the Ice Follies that year and the excitement which was generated at Franklin Park later that year on our annual outing. Our Junior Prom highlighted the year. Laureen Sullivan and Manuel Pereira were chosen Queen and King. Ladies-in-Waiting were Patricia Quintin and

Janet Kappral. Hats off to our soccer team for winning the Bi-State Soccer Championship. The girls basketball team also had a banner year in 1963, winning six and losing none. Our Junior Year came to an end with a wonderful afternoon at Cathedral Camp and the ever-famous blanket-toss.

Elections were held for the Senior Year, supervised by our new advisors, Mr. Barrett, and Miss Cronin. Glen Costa was elected President, Patricia Galligan, Vice-President, Anne Gonneville, Secretary and Len Baptiste, Treasurer.

Early in our Senior Year a tragedy befell the nation. On November 22, President John Fitzgerald Kennedy, one of the greatest men the world has ever known, was struck down by an assassin's bullet. In respect for the late President's memory, the Senior class cancelled its annual Holiday Dance.

Along with the new year came our senior banquet. The annual affair was well attended and a great success.

For the second successive year our soccer team won the Bi-State Soccer Championship. The boys finally lost in the finals of the Eastern Mass. Championship Tournament at M. I. T. to Medford High School.

Our first formal dance of the year was held on February 8. It was the Sweethearts' Ball, and George Sharp and Joyce Grace were chosen to reign over it.

The Senior girls will treasure forever the memory of one marvelous week in New York City, and the 1964 Worlds' Fair.

The senior year flew along, day by day, and before we realized it, we were on stage turning our Senior mantles over to the Juniors.

A marvelous and festive evening made the Senior Prom seem like a dream, and then the day had come. Graduation Day, which once seemed so far away, was upon us, and caught us, it seems, unaware.

Our days as students at Vocational High School are over, but we shall always cherish the memories, skills, friends, and experiences which have now become part of us.

Class Will

WE, THE GRADUATING CLASS OF 1964, DO HEREBY RELEASE AND BEQUEATH THE FOLLOWING:

Deryl Abreu leaves her seat in detention room to some other lucky student.

Jim Grace leaves Mr. Gabriel and the Freshmen in Peace.

Rita Fernandes leaves Miss Burchell the air she took out of her tire. (Miss Burchell thought she had picked up a nail).

Jackie Boucher leaves the corridors for someone else to roam.

John Arruda leaves before it's too late.

Carol Pimental leaves without winning an argument.

Dick Fernandes leaves wishing he could remember what the teachers tried to teach him.

Dennis Henriques leaves Mr. Duval a snare trap for his angles.

Gail Jason leaves the cafeteria equipment in one piece.

Laureen Sullivan and Pat Quintin leave the boys' Academic Building in peace(for a change).

Glenn Costa leaves old campaign posters.

Jackie Dupuis leaves her position as President of the Honor Society to some courageous Junior.

James Correira leaves Mr. Rogers heartbroken.

Terry Reynolds leaves Mr. Swiszcz a pair of shoes.

Pauline Tisdelle leaves one square inch of black velvet.

Franklin Frederic leaves Mr. Harrison his younger brother.

Evelyn Blais leaves spaghetti on the cafeteria ceiling.

Joyce Grace leaves her cheering sweater and the presidency of the Future Nurses Club to some lucky student.

William Szeliga leaves while he has the chance.

Gilbert Garrison leaves wondering what to leave.

Sharan Stringer leaves her megaphone to Mrs. Roderick.

Richard L'Abbe leaves the new football manager the task of breaking in a new head coach.

Diane Lopes leaves wearing her shoes.

Ronald Rusin leaves his secret service jobs for someone else.

Louis Spiliopoulos leaves on his roller skates.

June Gaj leaves our private joke about the "vinculum" to Miss Burchell.

Pat Galligan leaves serious for a change.

Janet Canastra leaves Mrs. Bagley wondering how she ever made the Honor Society.

Russell Brown is taking everything with him.

Robert Forgue leaves 35 pounds of fat he lost in his Sophomore year.

Jackie Beaulieu leaves a certain little Freshman to anyone who wants her.

Jackie Bettencourt leaves her traffic post on the third floor to some other poor officer.

Pierre Verville leaves with the feeling that he won't be missed.

Elaine Correia leaves her humor to all the teachers.

Frances Ponte and Elaine Tilton leave their English books to some lucky Juniors.

Claude Paquette leaves his dirty coveralls *standing* in his locker.

Marsha Ribeiro leaves paint to paint the windows of Hammond Auditorium so that they won't be so tempting.

Janis Gomes leaves her position as J. A. Reporter to some other girl with as much time, energy, and patience.

Phil Baker leaves Mr. Norton's negatives to some lucky Freshman.

Francine Ramos leaves with Mrs. Bagley still owing her money.

Richard Ellis leaves Mr. Duval a Blackstone King.

Robert Bonville leaves a broken pencil.

Manny Pereira leaves the girls' building to some other lucky wanderer.

Richard Lavoie leaves his Chevy II parking place.

Robert Osborne leaves smoke from his scooter.

Muriel Gagnier leaves the underclassmen with all the vegetables in the cafeteria.

Sandra Sojka leaves her seat at the piano for some other lucky student who can learn a song in one day.

Raymond LaFrance leaves four good years.

Louis Bertrand leaves an empty locker.

The Seniors in auto leave their morning coffee breaks to the Juniors who are sneaky enough not to get caught.
